# Job, Promotion & Transfer Report

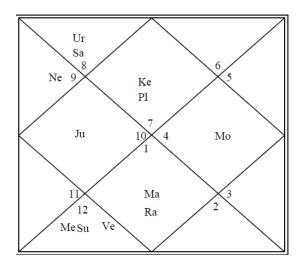

Name: Raghav Sharma

Date of Birth: 12 March 1993

Time of Birth: 04:45 PM

Place of Birth: Jaipur, Rajasthan

Gender: Male

# 🔮 Overview

Raghav, your horoscope indicates a steady career path with key turning points linked to planetary periods (Dasha) and transits. Your **10th house (career), 6th house (job stability), and 11th house (gains & recognition)** show powerful alignments for growth — but timing and patience are key.

#### **Career Growth & Promotion**

- Your **Saturn Mahadasha** running until 2027 shows a disciplined and hardworking phase, but promotions come with consistent effort, not quick jumps.
- Between April 2025 November 2026, Jupiter's transit over your 10th and 11th houses creates a strong Yog for job promotion or salary increment.
- You're likely to **gain recognition** for your leadership or problem-solving skills, especially if you're in administration, law, or engineering roles.

## 🔁 Transfer Possibility

• The **Moon's Antardasha** (March 2026 – October 2026) indicates emotional restlessness or a desire for change.

- If you are in a **government or transferable job**, this is a **high-probability period** for relocation or departmental shift, especially if you're expecting one.
- The 12th lord's aspect on the 6th house signals **transfer due to external pressure** or change in department/policy.

#### New Job or Career Switch

- The period from **December 2025 to June 2026** looks favourable if you're planning to switch jobs particularly in **MNCs or remote roles**.
- Planetary support will help you crack interviews and attract offers with better packages.

#### Remedies & Suggestions

- 1. **Wear a Blue Sapphire** (Neelam) in silver, after proper consultation (due to Saturn influence).
- 2. Offer water to the rising Sun every morning for clarity and growth.
- 3. Avoid job decisions during Mercury retrograde (approx. 3 weeks in April 2025 and August 2025).
